# L'UNICO

The highest quality ingredients used to create a luxury skincare range that works

L'UNICO IS A NEW LUXURY SKINCARE RANGE THAT DELIVERS WHAT IT PROMISES – VISIBLE RESULTS AND HAPPY CLIENTS.

Offer your patients the best of nature and science with L'unico luxury skincare, a powerful new range that delivers what it promises: noticeably smoother, more hydrated and more beautiful skin.

Developed by Australian company L'unico Laboratory, each product has been individually formulated by a compounding chemist, blending concentrated active ingredients to create a range of products that is luxurious to use while delivering highly effective, visible results.

The premium skincare line is the perfect complementary range for aesthetic medicine clinics.

Each product uses European-engineered peptides and organic extracts in a formulation that instantly absorbs into the skin without residue to protect, rebuild and address the signs of skin ageing. Users report the tone and texture of their skin improves from

day one and their skin is visibly more hydrated and luminescent.

The comprehensive range represents the world's latest biological breakthroughs, delivering the ultimate in skin health and beauty.

### THE L'UNICO ADVANTAGE

1. L'unico uses nano-sized ingredients in high concentrations, as well as an aqueous base with a minimal use of 0.1% plant extract, to allow **maximum skin penetration** and instant absorption without residue.
2. The range is **formulated and manufactured with strict quality control** in an Australian laboratory.
3. L'unico uses **advanced variations of peptides** to

signal skin cells to help make new collagen and improve wrinkles, firmness and pigmentation.

4. **Packaging is 100% light-resistant to guarantee stability**, protecting against oxidation and deterioration by light.

### ABOUT L'UNICO

L'unico Laboratory brings together the best of science and nature. L'unico products blend the most concentrated ingredients into the most powerful biological formulas known to science, which instantly absorb to protect and rebuild the skin.

The products have high concentrations of peptides and actives to affect noticeable changes in the skin, and the 100% light-resistant packaging ensures they don't oxidise or degrade on the shelf.

PRODUCTS

**PRODUCT RANGE**

**Youth Essence Day Cream**

This moisturising day cream boosts collagen types I, III and IV synthesis and helps to inhibit enzymatic destruction and protect unscheduled collagen degradation. It's formulated to maintain skin's moisture with outstanding benefits of hydration, tone, elasticity and density. It also helps mitigate the damaging effects of UV exposure while state-of-the-art nano technology allows for instant 100% penetration and delivery into deeper layers of skin with no residue. Paraben free and lanolin free. RRP \$240 (50ml)

**Regenerative Neuropeptide Night Formula**

This helps reverse chronological skin ageing markers, reducing expression wrinkles, boosting keratin, protein and collagen while helping to minimise photo damage. The Night Formula contains

micro-encapsulated retinol (Vitamin A) in an innovative delivery system to ensure its long-term stabilisation without degradation or oxidation. The proprietary aqueous base contains nano-sized ingredients to ensure instant 100% penetration into deeper layers of skin with no residue. Paraben free and lanolin free. RRP \$340 (50ml)

**High Potency 30% Vitamin C Serum**

A highly stable form of Vitamin C, this anti-ageing serum has superior absorption and skin penetration. It enhances collagen and elastin synthesis (both necessary to restore loss of hydration and density) and encourages antioxidant activity to help provide UV protection. Sulphate free, paraben free and lanolin free. RRP \$160 (30ml), \$100 (15ml)

**Facial Cosmeceutical Cleanser**

This gentle cleanser is formulated with fortifying actives, including Vitamins A, C and E to nourish and

rejuvenate the skin while cleansing. Sulphate free, paraben free, lanolin free, mineral oil free and SLS free. RRP \$70 (250ml)

**Facial Protective Toner**

A non-drying protective toner that helps restore the skin's natural pH balance. It works to reduce pore size and improve skin firmness and hydration. Sulphate free, paraben free, lanolin free and SLS free. RRP \$80 (250ml)

**Neuropeptide Firming Eye Therapy**

This eye serum significantly decreases puffiness around the eye area while helping to improve skin elasticity. The innovative nano-sized hydrolysed elastin, combined with the benefits of peptides, helps to restore and correct skin around the eyes. A hypoallergenic formula for the delicate eye area, it contains a potent source of tocopherols (Vitamin E compounds) and natural antioxidants that act as a free radical scavenger. Instant 100% absorption, leaving no residue. Paraben free, sulphate free and lanolin free. RRP \$160 (30ml)

**Intensive Hydrating Mask**

With instant moisturising and hydrating effects, this mask provides a radiant glow as it delivers rich nutrients and antioxidant protection. It helps reduce surface imperfections such as fine lines, enlarged pores and discolouration, while the emollient benefits help to increase skin elasticity. Sulphate free, paraben free, lanolin free and SLS free. RRP \$150 (250g)

**Phyto Fruit AHA Micro Peels**

This simple at-home facial peel, which comes in three levels for three skin tones, fair, olive and dark, uses

pads soaked in fruit acids to gently exfoliate the outermost dead layer of the skin, exposing new skin with fewer imperfections and diminishing the appearance of fine lines. Packed with oxygen-boosting technology, this peel works to weaken the bonds holding dead skin together for brighter, more radiant skin and more even skin tone. Performed once a week, this at-home peeling procedure is the perfect alternative to prescription topical or cosmetic procedures. RRP \$90 (118ml)

**L'unico Essential Beauty Pack**

This anti-ageing beauty pack contains a full size of each of L'unico's four best selling products – Youth Essence Day Cream, Regenerative Neuropeptide Night Formula, Neuropeptide Firming Eye Therapy and High Potency 30% Vitamin C Serum. RRP \$350 **AMP**
